# Weekly Prize Draw

## How does it work?

For £1 per week you will receive ten numbers which will be entered into the draw each and every week. Joining could not be easier; just complete the form on the reverse indicating how many entries you would like and how you would like to pay. The winning numbers are computer generated each week and at least 50% of your entry fee will go to The North West Police Benevolent Fund.

## For £1.00 per week

You can pay by cheque or direct debit.

## Prizes

With an annual prize pool of over £100,000, over £2,000 is paid out each and every week. A full list of weekly winners can be found on [www.lcccfoundation.co.uk](http://www.lcccfoundation.co.uk) and all winners will be notified by post.

## Where does my money go?

The North West Police Benevolent Fund provides care and support for serving officers, retired officers, their families and dependants in times of need, hardship or distress. It provides convalescence after illness or injury at convalescent homes in Harrogate and Auchterader with physiotherapy day cases being provided at their new treatment centre in Langho near Clitheroe. Officers and dependants (including widows, widowers, pensioners and surviving partners) who are in a condition of need, hardship or distress can be helped by way of a discretionary grant or loan via application to the Fund.
