Lasting Power of Attorney and Wills

At Linder Myers we understand you want to do your best to make life easier and more secure for your family and for you. Great ways to do this are to make a Lasting Power of Attorney (LPA), to deal with property and financial and health and welfare issues should you become unwell or the unexpected happen, and to make a Will leaving clear instructions for those who survive you.

Many people are put off by the cost and time needed to deal with this. So for members of your organisation and their immediate family we have put together a very special package.

For just £250 plus vat of £50 we will prepare a LPA and a straightforward Will. If you wish to have a LPA for both you and your loved one, we can do this for the very special price of £350 plus vat of £70.

You may decide you need both the Property and Affairs LPA and also the Health and Welfare LPA – please contact us for the our special packages to cover all of these.

WHAT IS A LASTING POWER OF ATTORNEY?

A LPA is a legal document which enables you to choose someone (the Attorney) to make decisions and act on your behalf when you no longer wish to make those decisions, or you lack the understanding to do so.

A financial LPA deals with your finances and property

A health and welfare LPA deals with your medical decisions and care.
