

Lancashire Police Federation Annual Worldwide Travel Insurance

Dear Member,

The scheme is due for renewal shortly and we are delighted to inform you that the monthly premium will be reducing from £6.47 to £4.65 per month.

The policy covers you and your partner if you are both under 70 at the date the trip commences. May we draw your attention to the Health Warranty on the summary document, please speak to our broker Police Mutual 0151 242 7648 if you feel this applies to you.

Can we also remind you that there is **NO** cover for valuables under your travel policy and that you should cover your valuables under your home insurance.

Remember to tell your Federation office of change of address, otherwise you may not receive future correspondence or documents.
